

Commonwealth Corps Service Internship Position Description

826 Boston Commonwealth Corps BINcA Writers' Room Associate

The mission of the Commonwealth Corps service internship program is to engage Massachusetts residents of all ages and backgrounds in service to strengthen communities, address unmet community needs, and increase volunteerism.

Commonwealth Corps members with 826 Boston will serve 10.5 months in a full-time capacity. What they have in common is a desire to put their talents and ideas to use in the service of their communities and the Commonwealth.

826 Boston is a nonprofit youth writing and publishing organization that empowers traditionally underserved students ages 6-18 to find their voices, tell their stories, and gain communication skills to succeed in school and in life. In its fifth year of partnership with Commonwealth Corps, 826 Boston seeks a Writers' Room Associate to support the expansion of its highly successful Writers' Room Program. 826 Boston's fourth Writers' Room is slated to launch at the Boston International Newcomers Academy in September 2018.

826 Boston's high-impact programs are based on the understanding that great leaps in learning can occur with individualized attention, and that writing skills are fundamental to future success. 826 Boston is part of a national network of youth writing centers founded by the award-winning author Dave Eggers.
