

## Communications & Marketing Internships

Named one of GOOD magazine's "30 Places We Want to Work," 826 Boston is a vibrant work environment, bustling with staff, interns, students, and volunteers.

Communications & Marketing Interns join 826 Boston's Development Team, supporting staff in crafting the narrative of our programs through newsletters and social media outreach and helping raise money through the quirky 826 Boston store. In addition, each intern will also have **the opportunity to design and complete a long-term project**, which they will lead with the mentorship of a supervisor. For example, a previous intern designed an Instagram photo series showcasing 826 Boston community members.

This is an opportunity to learn about the day-to-day operations of a non-profit while **building job skills, advancing your résumé, and acquiring excellent references**. Interns will also participate in two **specialized trainings** each semester, focused on growing specific professional skills such as public speaking or résumé writing.

Applicants must be over the age of 18 but need not be currently enrolled in an academic program. The Communications and Marketing Internship is an unpaid opportunity and requires a commitment of 16 hours per week for a minimum of four months. Interns traditionally serve in the fall (September through December), spring (January through April), or summer (May through August).

### **About 826 Boston:**

826 Boston is a nonprofit youth writing and publishing organization that empowers traditionally underserved students ages 6-18 to find their voices, tell their stories, and gain communication skills to succeed in school and in life. Our services are structured around the understanding that great leaps in learning can happen with one-on-one attention and that strong writing skills are fundamental to future success.

With this understanding in mind, we provide after-school tutoring, field trips, creative writing workshops, in-school tutoring, help for English Language Learners, and in-depth publishing projects. 826 Boston is part of a national network of youth writing centers, founded by the award-winning author Dave Eggers. Since opening in 2007, 826 Boston has delivered its free youth writing and tutoring programs to more than 25,000 students and has been recognized by *The Boston Globe* as one of the best places in the city to volunteer. 826 Boston's youth writers have published their work in *The New York Times*, *The Boston Globe*, and in numerous award-winning 826 Boston books, including *A Place for Me in the World*, which was hailed as a "triumph of middle school
