About the Edward M. Kennedy Academy for Health Careers (EMK)

The Edward M. Kennedy Academy for Health Careers is a college preparatory and vocational public high school for Boston students exploring careers in health and health-related professions, serving high school juniors and seniors.

Public Transportation:

EMK's lower campus is by the 39 and 66 buses and the Fenwood Road stop on the Green Line's E branch. The upper campus is next to several bus lines that run along Blue Hill Avenue, including the 14, 22, 28, 29, and 45.

Parking:

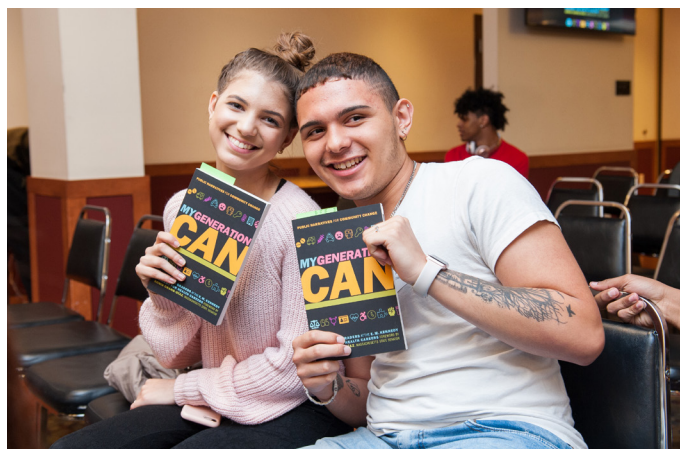

Street parking and lot parking may be available but is not guaranteed.

Accessibility:

Both campuses have steps to their main entrances and several flights of stairs between floors. Neither campus has elevators or ramps.

Both campuses have gender-neutral staff bathrooms. In the lower campus, it's upstairs in the teachers' lounge in room 207. In the upper campus, it's across from the first flight of stairs and upstairs in the nurse's office, room 204.

Both campuses have a teachers' lounge with a microwave, a refrigerator, and a water filling station.

Check-In Procedure:

The EMK does not have a designated classroom for the Writers' Room during the school day. The location of the Writers' Room will change depending on availability and need. A team member will meet you in front of the appropriate campus to bring you to the correct classroom for each shift.
