

826 Boston Communications & Development/Event Internships

About the Opportunity:

826 Boston seeks a creative individual with strong organizational skills to serve as the Communications & Development/Event Intern on 826 Boston's Development Team. This is an exciting opportunity to develop your communications skills (writing and editing content for 826boston.org and social media) as well as your fundraising and event experience (helping strengthen donor relationships and raising money through events and the quirky 826 Boston store). In addition, each intern will also have **the opportunity to design and complete a long-term project**, which they will lead with the mentorship of a supervisor. For example, a previous intern designed an Instagram photo series showcasing 826 Boston community members.

This is an opportunity to learn about the day-to-day operations of a non-profit while **building job skills, advancing your résumé, and acquiring excellent references**. Interns will also participate in two **specialized trainings** each semester that will focus on growing specific professional skills such as public speaking or résumé writing.

Applicants must be over the age of 18 but need not be currently enrolled in an academic program. The Youth Publishing Internship has a flexible commitment of 8–16 hours per week for a minimum of four months. Interns traditionally serve in the fall (September through December), spring (January through April), or summer (May through August).

Interns who are not otherwise receiving financial compensation will receive a \$500 stipend after completing their internship. This position may be eligible for a Federal Work-Study partnership at some schools. If you are eligible for Federal Work-Study, please let us know and we will try to work with your school to see if we are an eligible community partner.

A note about operations during the pandemic: 826 Boston is currently operating partially in person. In-person programming is limited and conducted with public health guidelines in mind. All team members reporting in-person must establish that they are fully vaccinated against Covid-19. This position will have the option to work remotely or at the main center in Roxbury. Please read more about our [Program Covid safety guidelines](#).
