

826 Boston English/Spanish Bilingual K-12 In-School Program Internship

About the Opportunity

The English/Spanish Bilingual K-12 In-School Program Intern joins 826 Boston's Publishing and Programs Team to support the expansion of our bilingual In-School Program Partners, specifically with workshops and short term writing projects collaborating with The Margarita Muñiz Academy and New Mission High School.

This is an opportunity to learn about the day-to-day operations of both a nonprofit and an elementary school, while building instructional and other job skills, advancing your résumé, and acquiring excellent references. In addition, interns will participate in two specialized trainings each semester, focused on growing specific professional skills such as public speaking or résumé writing.

Applicants must be over the age of 18 but need not be currently enrolled in an academic program. The English/Spanish Bilingual K-12 In-School Program Internship has a **flexible commitment of 8–16 hours per week** for a minimum of four months. Interns traditionally serve in the fall (September through December), spring (January through April), or summer (May through August).

Interns who are not otherwise receiving financial compensation will receive a \$500 stipend after completing their internship. This position may be eligible for a Federal Work-Study partnership at some schools. If you are eligible for Federal Work-Study, please let us know and we will try to work with your school to see if we are an eligible community partner.

A note about operations during the pandemic: 826 Boston is currently operating programs both virtually and in-person. In-person programming is limited and conducted with public health guidelines in mind. Candidates for this position should be prepared to work all of their hours in-person at one of 826 Boston's physical location(s). Please read more about our [Program Covid safety guidelines](#).
