New Mission High School

Address:

655 Metropolitan Ave,
Hyde Park, MA 02136

About New Mission High School:

New Mission High School offers a multifaceted college preparatory curriculum with project-based elements, internships and a capstone project for seniors. New Mission emphasizes critical thinking for lifelong learners to prepare their students to do well in the world and do well for the world.

Public Transportation:

New Mission High School is located a six minute walk from the 32 bus stop at Hyde Park Ave/Westminster St and a 12 minute walk from the 50 bus stop at West St/Austin St.

Parking:

Limited street parking is available on Metropolitan Ave and other side streets. Pay attention to Resident Parking and Street Cleaning notices. Parking can typically be found within a five-minute walk of New Mission.

Accessibility

New Mission High School does not have any elevators to access additional floors of the building. A teacher's lounge with some kitchen supplies are available to volunteers for use.

Check-In Procedure:

After entering the building through the main entrance, you will contact a designated point person to meet you at the front of the building. You will then check-in with the main office and receive a guest-pass and name tag in advance of the pre-briefs.
